Dear Faithful Supporter –

The heat of Summer is upon us bringing out summer blooms and the threat of stormy nights. We are busy regrouping as a staff preparing to attend the National Christian Housing Conference in Raleigh, N.C. and gearing up for the start of the new school year.

Though this summer has brought sufficient rain to sustain the flowers, there is always a threat of drought. It can be easy to forget that with the changing schedules, rising costs and vacations, ministries depending primarily on donations often struggle. We at HOHC need your continued support.

Will you please prayerfully consider a special donation to help us get through our summer drought? Whether you can give \$50, \$200 or \$1,000, your generosity will enable us to stay afloat until autumn routines return and we have our annual Golf event.

If you feel led to help us with some special financial needs, a few are listed below:

- \$150 can pay for a staff member to attend the Housing Conference
- \$100 can help with buying school supplies and clothing
- \$1,500 can pay for the heating oil in the Coatesville house
- \$1,850 can pay for the Lititz house propane tank fill

I want to thank each of you for supporting this ministry. We are able to provide a life changing opportunity to these young lives because of you.

In His Service,

Matthew Neff
Executive Director
