

May, 2007

Dear Faithful Supporter,

Sherry* was a young woman who needed a mother. Sherry's mother was a drug addict who stopped all care for her by the time Sherry was eight years old. When Sherry became a mother herself four days after her 13th birthday, she was at a loss, but did the best she could. At 16, Sherry realized her best wasn't good enough, and she started looking for help. She found House of His Creation's Mother/Child home. There she gained a housemother who became like a mother to her and helped her with her own mothering. Since that time, she also has gained a lovely mother-in-law and has become a mother again!

You know that Sherry's story is not unusual. There are young mothers or mothers-to-be in our schools, communities, and churches who are doing the best they can. They are finding, as you can imagine, that they need some help. Sometimes their mothers are trying to help; sometimes they are part of the problem.

We need you to help us at House of His Creation as we serve young mothers like Sherry. Our mission is to provide restoration, hope, and service to single young birthmothers and their children through Christ-centered homes. Our vision is that we would equip them with tools to live well-rounded, healthy, and productive lives, and that they, in turn, would do the same for their children and families, impacting generations.

Would you please consider giving House of His Creation a **special gift** in honor of Mother's Day? Whether you can give \$50, \$200 or \$1000, your generosity will help us continue to serve these young mothers and their children.

Serving mothers and children for Christ,

Lisa S. McHenry

Executive Director

P.S. You will find enclosed our most recent newsletter, hot off the press. You can read all of the latest news happening here at HOHC. **We pray it will inspire you to help us do even more for these young birthmothers and their children!**
