

November 2008

Dear Faithful Supporter,

I pray that this time of celebration and giving thanks is a joyous time for you. This has been an amazing year at House of His Creation. The journey for us this past year has been one of intense growth and change, but the Lord has been faithful to this ministry and the young women and children he has called us to care for.

The Lititz Mother-Child Home has been full of life as some children are not only walking, but talking as well. Two of our moms are set to graduate school in 2009 and are mapping out their secondary education and independent living plans. Your support has played a vital role in the opportunity for these moms to finish high school and move on with a roadmap for a future.

The Coatesville Maternity Home has served seven young women this year. Because of the opportunity House of His Creation provided, there are seven more children in the world today. We rejoice over every child because each child is a gift from God. Everyday in the United States over 3,300 abortions occur. One at a time He is faithful to rescue the innocent children and hurting youth through programs like House of His Creation.

As a Houseparent at the Lititz home transitioning into an administrative role as Executive Director, the intensity of the need and the vital role you our faithful supporters serve is very clear. Thank you for your prayers, volunteerism and financial support. House of His Creation has been able to help provide a hope and a future for these hurting young women and their children.

It is our desire to work in the Spirit of Isaiah 61: 1-3 “to bind up the broken-hearted, to proclaim freedom for the captives and release from darkness for the prisoners . . . to bestow on them a crown of beauty instead of ashes...” Please join with us and know that the seed you sow will be faithfully ministered to the needs of the young women and children in our care.

As this year draws to an end will you prayerfully consider making a difference in these lives with a financial contribution? If every person that receives this letter could make a holiday gift of \$50 or more, we will meet our year-end financial requirements. The young women we serve and hope to serve need your help. Please know, all gifts are appreciated and a blessing to our ministry. May the Lord continue to bless you abundantly this year!
